SOUND + LIGHT

Sound :1st class PA System w/minimum 2 full range speakers & 2 sub woofers! The system must be able to produce sufficient loudness and bass response. The performance shall not occur if proper loudness and tuning is not achievable.

The performance shall not occur in excessively reverberated spaces (churches, warehouses, etc.) Please notify us ahead of time if the performance space is perceivably “echoey.”

Light: Separate circuit from sound system! Sufficient for venue!

We assume that there is a well-sized PA system provided for the concert room/dancehall with sufficient power to supply a clean and undistorted sound and a powerful and feedback proof monitor system. One spot-light oriented on the artist and his equipment + moving coloured lights.

STAFF:

A qualified sound engineer is needed, stage technician and light technician.

Hospitality :

The promoter will allow 1 dressing rooms minimum for 2 people.

At least 5 guest list spots are requested

These will be clean, enlightened, comfortable, and must have the option of being closed with a key, which will exclusively be used by the ARTIST and his crew.

The stage must be directly linked to those dressing rooms by an enlightened and covered way with a solid floor.

The Promoter will take care that the ARTIST will never have to cross the audience to reach the stage.

The rooms should have a Wifi connexion.

Only the owner of a back stage pass (Artist 's pass and/or Promotor's pass) in due form will be authorised to access to the dressing- rooms or to the back stage area.

Drinks & Assortment:

- 3 little bottles of water, 1 bottle of COKE (the real one), 2 bottles of fizzy water, 2 assorted bottles of fresh fruit juice, 2 COLD beers, 2 Yerba Mate, 1 Cold brew coffee and hummus, guac or other healthy snacks, 1 bottle of Bulleit Bourbon.
